1:15pm Raffle Drawing!

GreenScape is a celebration of youth environmentalism in Baltimore City. Each year, dozens of Baltimore City Public Schools form Green Teams and take on projects to make their schools and communities greener, healthier places. Our goals are to support their work, build their voice, and create a more sustainable public school system for everyone.

Stay in touch with us! Visit

<https://bmoregreenblog.wordpress.com> to see what we're up to. To get involved, contact Andrea at andrea.calderon@baltimorecity.gov.

Congratulations to 2016's new and recertifying Maryland Green Schools:

Baltimore City College
